PERTINENT INFORMATION

A usually reliable source has transmitted the following information from Dr. Josef Mikus, Slovak emigre in Paris:

1. The Sidor-DURCANSKY conversations brought no results insofar as uniting the two groups of separatist Slovaks.
2. In London, a general Slovak emigration organization was set up some weeks ago. The idea behind this is that no over-all Slovak emigration organization could be created on a political basis (Sidor element, DURCANSKY element, Slovaks who cooperate with Czechs and believe in the Czechoslovak centralized state) and that, consequently, a non-political organization should be set which would be able to attract all Slovaks in emigration on purely a racial and cultural basis.....

THAT IS ALL THE PERTINENT INFO ON SUBJECT IN THE DOCUMENT.
